Jax Wax Australia's Daintree Blackbean range is a unisex wax which is ideal for strong, stubborn multi-directional hair that is suitable for every body.

The **Daintree Blackbean Wax range** consists of beaded hot wax and a strip wax that contains pure Cedarwood essential oil and is scented with Sandalwood to appeal to the most discerning male.

The wax range also is complemented with an After Wax Body Lotion that is enriched with Organic Hemp and Argan Oils and contains pure cocoa butter to support skin hydration.

"We will be using Jax wax for many, many years to come it will be a staple in our Barbershop. And our customers love it!"
